

## **Transportation Resources**

### *Individual transportation*

Students drive themselves to and from NOCCA or a parent/family member coordinates

### *Private Bus Companies*

NOCCA is aware of several private bus companies that provide transportation. NOCCA makes flyers available to families each year, but is unaware of exact pricing per student

### *Cabs*

Families have set-up accounts with local cab companies to provide their student the option to quickly take a cab to or from NOCCA

### *Carpools*

Most students carpool to and from NOCCA. NOCCA provides an online contact database for students to share and coordinate carpools.

### *RTA*

Visit the <http://www.norta.com/> for public bus routes.
